

2020 Korea Eureka day

24 November 2020 | Online

Invitation

Dear Colleagues,

The Ministry of Trade, Industry and Energy (MOTIE) of Korea and the Korea Institute for Advancement of Technology (KIAT) invites you to "2020 Korea Eureka Day", an online event to be held on November 24(Tue.)

Open innovation and global technological competitiveness are speeding up, leading to the paramount importance of technological collaboration between companies worldwide. Aimed at promoting technological collaboration and expanding R&D networks between Korea and Europe, this innovative event will be held online because of the worldwide spread of COVID-19.

Although this year's event will be untact, we will continue to provide opportunities to meet new partners through highly perceptive keynote speeches by Korea's esteemed companies, each nation's R&D strategies, and Industry University Institute Collaboration.

As such, we encourage your participation in "2020 Korea Eureka Day"
